## Pre-Announcement of Product Discontinuation – Kodak Professional Readyload Single-Sheet Packets & Holder

Due to significantly declining sales volume, Kodak is pre-announcing the discontinuance of Readyload Single-Sheet Packets for four films as well as the holder.

The items listed below will be discontinued by year-end 2008, however inventories may run out before then depending on demand. Normal pricing will apply.

Please continue to order Readyload Single-Sheet Packets and Holders normally. You will be notified at the time of the order as inventories of individual items are depleted.

**Please note:**

*Only the following selected listings will be discontinued from our broad KODAK Professional Film Portfolio by year-end or early 2008. Other cut sheet sizes, such as 4x5" and 8x10", are not affected and continue to remain available.*
